

TPP California Proposition 65 Statement

Please be advised that **TPP Techno Plastic Products AG**, Zollstrasse 7, 8219 Trasadingen, Switzerland, has thoroughly evaluated its products and determined that none of them expose users to chemicals at unsafe levels as specified under **California Proposition 65**, provided they are used as intended.

California Proposition 65 requires businesses to provide warnings about significant exposures to chemicals known to cause cancer, birth defects, or other reproductive harm. **TPP ensures that its products do not pose such risks when used appropriately.**

The **list of chemicals regulated under Proposition 65 is updated regularly** and currently includes approximately 900 substances. To ensure ongoing compliance, we continuously assess our products against the latest version of the Proposition 65 chemical list. You can find the most recent list here:
